Silversea Announces Single Rates from only 10% – 25%

Going Solo? Book now before these fares are going, going gone! Silversea's new solo traveller fares are among the most generous at sea — now only 10% – 25% above the double occupancy fares on select 2011 voyages. These special rates allow single guests the freedom to travel independently without the inconvenience of finding a travel companion to keep costs down.

With savings of up to 60% plus the value of these low single supplements, this is the perfect time to treat your clients to a luxurious Silversea cruise. All-inclusive fares include a spacious, ocean-view suite — most with private veranda, personalised butler service, complimentary wines and spirits, fine dining, sophisticated enrichment and entertainment programmes, a full-service spa and all onboard gratuities.
